

Rostock-Stralsund Baltic Sea Cycle Path 2019 – Short Tour, Cat. B

**5 Days/4 Nights, approx. 115-151 km,
30-57 km daily, mostly flat,
2- and 3-star-hotels**

The Baltic seaside resort Warnemünde is a district of the historic Hanseatic city of Rostock and flows into the Warnow. It is the start for your cycling tour on the Baltic Sea cycle path. You cycle in Northern Germany along the river Warnow and along the Hochuferweg to Fischland/Darß. Who loves beaches in the cycle vacation in Mecklenburg-Vorpommern, comes at the "west edge" at its expense. From Barth you cycle along the Bodden to Stralsund. The historic old town has been a World Heritage Site in Germany since 2002. Let yourself be inspired by the old churches and especially by the bridge to Rügen.

Itinerary

Day 1 - Individual arrival in Warnemünde/Rostock

After check-in at your hotel, both Rostock and Warnemünde invite you to take a walk before the start of your cycling tour on the Baltic Sea. Stroll in Rostock to the Marienkirche with the astronomical clock, the gothic town hall and the town gates from the Middle Ages. A cycling holiday in Germany begins in the maritime town of Warnemünde with an exploration of the local fishermen's houses and a visit to the lighthouse. **Example of hotel:** Parkhotel Seeblick

Day 2 - Warnemünde/Rostock–Fischland/Darß, approx. 40–52 km + ferry ride

Start your first cycle tour along the Baltic Sea Cycle Route with a ferry trip over the Warnow to Hohe Düne. You cycle over the dikes to your seaside resort and the next stop on Fischland or Darß. **Example of hotel:** Deutsches Haus Wustrow

Day 3 - Fischland/Darß–Zingst/Barth, approx. 30–42 km

On the third day of your cycle tour along the cycle path in Mecklenburg-Vorpommern you will experience the fascination of the Baltic Sea. The bicycle tour in Northern Germany leads through a part of the National Park Vorpommersche Boddenlandschaft. With a bit of luck, grey seals and seals can be observed on a cycling holiday in Germany. **Example of hotel:** Hotel Stone

Day 4 - Zingst/Barth–Stralsund, approx. 45-57 km

From the small Bodden and Vineta town of Barth you cycle along the Bodden coast to Stralsund, which separates Rügen from the mainland. The old town of Stralsund is included in the list of Germany's UNESCO World Heritage Sites. The historic city centre awaits you on your bicycle tour at the Baltic Sea with a fortification and the ensemble of the Old Market in North German Brick Gothic. Learn more about life in the Baltic Sea in the Ozeanum at the harbour of Stralsund. **Example of hotel:** Hotel am Jungfernstieg in Stralsund

Day 5 - Individual departure from Stralsund

The short cycling tour on the Baltic Sea ends in Stralsund.
