# Dachstein Round Tour 2019 - Red Version

**4 days/3 nights, approx. 184 km/5.100 ad,  
54 - 66 km / 1.600 - 1.900 ad daily,  
3-star hotels**

Along the perfectly marked mountain bike tour, cycle around the impressive Dachstein Massif in the area of Upper Austria, Salzburg and Styria. The red version leads along the same route than the blue Dachstein round tour, however in the reverse direction. The climbs are technical a bit more difficult. The first day already is quite a challenge cycling from Lake Hallstättersee to Gosau, before the route leads up to the Hornspitz. There you will be rewarded with a wonderful view onto the Gosau glacier. You cycle in direction Ramsau on the foot of the breathtaking south walls of the Dachstein with Mt. Bischofsmütze always in sight. A criterion of this tour follows on the last day, when you have to cycle up the challenging "Öfen", before you cycle back to the Salzkammergut.

## Requirements:

The red version is an individual tour with medium challenges and partly some difficult climbs. Perfectly marked tour with few technical difficulties.
